

## Stephen Goddard

I have been involved with several clubs over the years and following is a summary.

1. Member of Bondi Icebergs since 1996 and have served on the Board previously for some two years.  
As well I have been doing the BBQ's as well as other functions INCLUDING the Thursday night raffles.
2. Life Member of Easts Rugby Union Club where apart from being a player I also was a board member for some 11 years including two as Vice President.  
Also, I was Chairman of all Rugby Club delegates to the NSWRU and a member of Wallabies management from 1987-1995.
3. Board member of Bondi Surf CLUB for some 6 years.
4. Director of the International Nippon New Zealand and Australia Club for 9 years.
5. Ran my own marketing/sales company for 15 years.

### Things that I would like to be looked at within the Club....

- Snack food as well as a changeable menu.
- Promote the club to the locals.
- Operating hours.
- Pricing with a specific reference to the wines.
- Theme nights (food/drinks) including wine tastings.
