

## Tony Wall

Hi Members,

I am applying for the position as a Director of the Bondi Icebergs Club, so its best that I give you a little insight and information about myself to help you make a decision on whether you would like me to represent you.

I grew up in Clovelly and spent most of my adult life there, did a stint in Coogee and have been living in Bondi for the past 5-6years. While growing up I was a keen surfer and body surfer and spent time surfing from Clovelly, Bronte to Bondi.

Bondi has been a big part of my life both in sport and socially for over 40yrs. The Bergs has become a major part of my life in the last 8years.

- I joined in 2011 but had spent a substantial time in and around the bergs prior to joining.
- I am a gym member.
- Have represented the Club at swim carnivals.
- Am at the Club most Thursday nights for badge draw and raffles.
- Have done maintenance work in the club including tiling of bathrooms, bars and massage room.
- Donated time to assist with general clean-up of swim club equipment.
- BBQ guy for the Icecubes for the past 4years.
- Help Steve Goddard set up, prepare and distribute food on deck days.
- Attended all AGM's.
- Enjoyed Melbourne Cup here every year.

As you can see, I am very committed to the Club and would love to help you have your say. I have run my own tiling business in the Eastern Suburbs for 25 years (Tony the tiler Bondi). My people skills, knowledge of building and my commitment is what I offer to you the members

Thank you for your support.
